interesting race of the day, there was a fair turnout of spectators. The Junior Sculls was a rather interesting race, in which Fredericks had a very creditable win. The race for heavy gige was one of the best rowed events of the meeting, the three brats sticking close to each other all the way and finishing in fine

For the International the Scotch boat was made a hot favourite and heavy odds were haid on it. The form showed by Capt. Davidson (stroke) yesterday increasing the taith in the boat's success, while the other members of the crew had also given proof of excellent mettle. The fact of the English crew rowing in a boat named the Thistle led to some misconception among spectators who were not 'well up' in the arrangements and may have led some to but money on it under the impression that it was the Scotch boat, in which case the mistake would be a lucky one. The result of the race was of course a great surprise

THE Hongkong Branch of THE HALL & HOLTZ CO-OPERATIVE Co., LD. has been formed into a separate Company with the above title. This business was acquired in August, 1888, as a going concern, by THE HALL & HOLTZ CO-OPERATIVE Co., LD., (the present Vendors) and has since then, under able management, progressed so satisfactorily in increasing its sales and extending the scope of its several departments, that the Vendors, although confident that further development will result in an increasingly profitable trade, find that they are unable to supply the required capital, as their Articles of Association do not permit them to borrow by way of mortgage, nor can they increase their Capital for the purposes of business in Hong-

Vendors have therefore agreed to sell to the Hongkong Trading Company, Limited, the Hongkong business, in consideration of the sum of \$20,000 for the goodwill and certain advantages with regard to special agencies for the Vendors,

Home buying, &c. The Stock-in-trade, Fixtures, Household Furniture, etc. will be taken over by the Company at cost valuation (as per stock books) on December 31st, 1889, and the Book Dabts (after writing off all known bad debts) will be also taken over, icss a

deduction of 5 per cent. Satisfactory arrangements have been made for a much-needed enlargement and improvement of the present premises, and the refusal of a lease for 3 or 5 years at the Company's option has been secured. The following are the principal depart-

ments, as at present carried on, viz. :-Household & Gen ral Stores, Wines & Spirits. Empire Brewery Products

Hafi & Holtz Co.'s Steam | Solo Agency Furniture Factory Gentlemen's Outfitting & Tailoring. Drapery, Millinery & Dressmaking. Ladies' & Children's Outlitting, & Fancy

Furnishing, General Upholstery, House Painting and Decorating. It is proposed to add a Furniture Factory, and such other branches of trade as from time to time may be considered advisable. The Vendors will bear the whole cost of the preliminary and other expenses attending the formation of the Company, up to the date of allotment.

Applications for Shares (accompanied by a deposit of \$5 per share) must be made on a printed form, and forwarded to the Company's Bankers; should no allotment be made the deposit will be returned in full, and in case the number of shares allotted is less than that applied for, the surplus deposit will be appropriated towards the sum due on allotment.
